SUBJECT: Sampling Procedure – Splitting Samples

POLICY NO. I.V.1.a. DATE 9-13-93

AUTHORITY Division of Waste Management

Whenever a sample is taken and a split is requested, the person taking the sample will relinquish the sample only to the property owner, or his designated representative (including owner operator as specified in 401 KAR 40:020, 1(1)(e)). If anyone else is to receive a sample they must have a note of permission signed by the property owner. The sampler will take this note and submit it along with a memo to the central files within 5 working days. *The* memo should give the details of that sampling point, and any other facts pertaining to that particular project.
